

## Indian Menopause Society Midlife Health Charitable Clinic-Project 2017

### IMS Midlife Health Charitable Clinic Project 2017-18

PLEASE START ENROLLING FOR THIS NOBLE CAUSE IN LARGE NUMBERS TO STAY COMMITTED ON THE 5<sup>TH</sup> OF EVERY MONTH FOR 50+ WOMEN

Dear Members,

IMS is a charitable organization, and we are committed to the health of midlife women there are so many of us wanting to work for the cause but do not get a platform to do this noble work.

This year IMS is starting a new Project **IMS Midlife Health Charitable clinic (IMS-MHCC project)** or "**IMS Varishtha Mahila Swasthya Yojana**" to offer free consultation and counselling services to poor and needy midlife women, on the similar lines of Pradhan Mantri Surakshit Matrutva Yojana pledge for 9!

#### Aim & Objective

- To provide Primary & Preventing health care to poor & needy 50+ women on 5<sup>th</sup> of every month in our own clinics/hospital/outside absolutely free of charge.
- To sensitize and motivate family members to bring the midlife women from their families for routine checkups, so that we pick up any health issue and take appropriate action.
- We are 43+ chapters all over India. If we undertake these charity services proactively, IMS will be able to fulfill its Aims and Objectives and contribute significantly to improve the health of midlife and aging population at large especially below poverty line section of India in all four zones.
- Let us lend our hand for the cause for better quality of life for aging women

#### Salient Features and Guidelines:

- It is a voluntary service to be offered by IMS members.
- You can put up a board outside the clinic indicating that these free services are offered at your clinic on 5<sup>th</sup> of every month
- This activity should be carried out under the banner of "IMS Midlife Health Charitable clinic (IMS-MHCC project) "**IMS Varishtha Mahila Swasthya Yojana**" with logo of this project provided to you as attachment, and also IMS logo
- Members should put up board of IMS charitable clinic in their own clinic / hospital displayed well outside the clinic also.
- Free consultation and counselling services for 50+ women on 5<sup>th</sup> of every month should be offered.

## Indian Menopause Society Midlife Health Charitable Clinic-Project 2017

- Relevant investigations can be done in subsidized rates with tie up with a charitable hospital offering the same
- IMS has also negotiated a special discounted rate for device conducting a complete package of investigations to be carried out at Rs 50 / patient. And also mammography screening at Rs200 /patient .(details are attached here with.) You could either raise funds for the same devices and buy for your chapter which can be shared by members offering free services from your chapter, or you could personally buy which will be owned by you to offer subsidized investigations in your center. The respective representative will come and give you demo in your city on your request
